The screenshot shows the homepage of the Austrian Public Health Portal (www.gesundheit.gv.at). The main navigation bar includes categories like 'Gesund leben', 'Krankheiten', 'Diagnose & Labor', 'Gesundheitsleistungen', 'Services', 'Professional', and 'ELGA'. A search icon is also present. The article featured is titled 'Initiative „Kinder essen gesund“: Vom Lockdown nicht stoppen lassen', dated 17.12.2020. The article text discusses the continuation of nutrition and community care projects during the lockdown, specifically mentioning the 'Kinder essen gesund' initiative in the state of Styria. A sidebar on the right contains sections for 'Corona – Aktuelles' (listing coronavirus measures and information), 'Coronavirus & COVID-19' (providing information on transmission and diagnosis), and 'Archiv – Aktuelles' (listing previous articles from 2020, 2019, and 2018).
